A schematic diagram of a circular web assembly 300. The assembly includes a large circular web 304 and a smaller circular web 302. A vertical line 306 is labeled "WEB". The assembly is supported by a central circular structure 308. Surrounding the central structure are several circular components: 310, 312, 314, 316, 318, and 320. Some of these components are labeled with "V" (310, 312, 314, 318) or "M" (316). Other components are labeled with "322" and "324". The diagram shows the relative positions and connections of these components within the assembly.
